Vincent is a leading personality in the tourist guiding scene in Malta, with over 40 years' experience in the field. He is also a great supporter of Friends of Valletta. His last talk to us was in December 2021 when he delivered a delightful talk about Christmas traditions in Malta, so it is a real pleasure to welcome him as our first speaker for 2026. We also congratulate Vincent on his new book Valletta: History of a Noble City, see <https://bdlbooks.com/product/valletta-history-of-a-noble-city-hardback/>.

Everyone attending this Friends of Valletta Zoom talk is kindly asked to donate £5 or 5 euro by BACS transfer, to support Din L-Art Ħelwa, the National Trust for Malta. You are also warmly invited to join Friends of Valletta for only £10 p.a. to support our talks programme and to ensure you are invited to future talks and events.

A few words about Din L-Art Helwa

Proceeds from Vincent Zammit's Zoom talk will support Din L-Art Helwa, the National Trust for Malta, which celebrated its 60th anniversary in 2025, see <https://static.dinlarthelwa.org/> .

The name 'Din L-Art Helwa' means 'This sweet land', and was inspired by the opening line of Malta's National Anthem, 'Lil Din L-Art Helwa...', composed by Malta's National Poet, Dun Karm Psaila.

You can download free electronic copies of Din L-Art Helwa's 50th anniversary book, 'Heritage Saved' (1965-2015), and the 60th anniversary booklet 'Lest We Forget', via <https://static.dinlarthelwa.org/publications-and-other-items/books-and-other-printed-content/> .

Malta's heritage and environment are facing tremendous challenges from rampant over-development and abuse of planning legislation. Your support for Din L-Art Helwa in countering these challenges could not be timelier.
